**Subject: Post Validation Activities: Major design changes of SMA  
SR305-230 piston engine - EASA TCDS number E.076.**

**Background**

1. Your letter dated May 14th, 2012. With subject: Revision of the EASA Engine Type Certificate Data Sheet E.076 (SMA SR305-230 Piston Engine)
2. Type Certificate Data Sheet No. E.076 Rev 04, dated May 04 2012.
3. Letter UAEAC 1411-GCFA-1818, dated February 14th, 2003.

Dear Sirs,

We have received your letter with reference to the SMA SR305-230 piston engine – notification of major design changes. We have reviewed all information above mentioned, and taking into account that this change is EASA approved (State of Design) in the Type Certificate No. E.076 (Rev 04), this authority has no objection to accept the SMA SR305-230E engine with the updated of major design changes.

Truly yours,

**Eng. Edgar Luciano Cadena Cañon**  
Technical Group Chief  
Colombian Civil Aviation Authority
