International Airport 70100 - ISRAEL

Subject: ACCEPTANCE PROCESS BY HOMOLOGATION OF AIRCRAFT
Gulfstream Aerospace L.P models GALAXY and GULFSTREAM 200
(CAAI TC No. A6IL ENGINES PRAT & WITHNEY PW306A (FAA TC
E35NE).

Reference No: Document number 2012051753 Application GULFSTREAM Letter for
Validation of the gulfstream 200 Corporate Jet

Reference Date: 06-August-2012

Other References:

1. Colombian Civil Aviation Regulations, RAC No. 9.1 and 9.2.3
2. CAAI TC No. A6IL for GALAXY and GULFSTREAM 200
3. FAA TC E35NE for PRATT & WITHNEY PW306A.
4. G200 VTC UAEAC Validation Data, D.T.F 3103 , July 30, 2013

Dear Sir:

According to your application for the acceptance of the CAAI TC A6IL for the **Gulfstream Aerospace L.P models GALAXY and GULFSTREAM 200** with Engine Pratt & Whitney PW306A (FAA TC E35NE), the Colombian Civil Aviation Authority (UAEAC) and considering that **Gulfstream Aerospace L.P** has submitted the requested documents, which were evaluated under Colombian Civil Aviation Regulations (RAC) and that the Colombian Civil Aviation Authority (UAEAC), has completed the Civil Aviation Authority of Israel (CAAI) Type Certificate (TC) acceptance by homologation, this authority welcomes the **GALAXY and GULFSTREAM 200** aircrafts **with the Engines related in the references**, to operate in Colombia; however, it is important to note that we will only accept the aircraft configuration, certification basis, as well as the airworthiness and operations limitations as stated in the CAAI TC and the supplied documentation.

Gulfstream Aerospace L.P will keep updated the continued airworthiness documents required to guarantee the proper operation in accordance with the recommendations of the State of Design. Any change of the information above mentioned must be reported and documented to the Colombian Civil Aviation Authority (UAEAC).

Concerning to the Post Type Validation Procedure, the Colombian Civil Aviation Authority (UAEAC) will accept the CAAI findings for all post-Type Validation changes to the Type Design (including design change approvals, Aircraft Flight Manual (AFM) approvals, Airworthiness Limitations (AWL) approvals, Service Bulletin (SB) approvals, Continuing Airworthiness). In addition, the CAAI, as State of Design for the **GALAXY and GULFSTREAM 200** will have overall responsibilities for Continued Airworthiness.

Note: According with certification basis of CAAI TC No. A6IL, Compliance Check List (CCL) document number 4AS/000/98192 and Basis of Certification document number 4AS/090/951608 this authority also accepts the FAA TC A53NM (Import).

If you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

Cr. (r) German Ramiro Garcia Acevedo
Air Safety Secretary
Civil Aviation Authority of Colombia (UAEAC)
