Dear Mr. Julien,

According to your application for the acceptance of the EASA TC A.064 for the **AIRBUS Models A318 - A319 - A320 - A321** aircrafts, and considering that **AIRBUS S.A.S.** has submitted the requested documents, which were evaluated under Colombian Civil Aviation Regulations (RAC) and that the Colombian Civil Aviation Authority (UAEAC), has completed the EASA TC acceptance, this authority welcomes the **AIRBUS Models A318 - A319 - A320 - A321**, to operate in Colombia. However, it is important to note that we will only accept the aircraft configuration, certification basis, as well as the airworthiness and operations limitations as stated in the EASA Type Certificate and the supplied documentation.

AIRBUS Aircraft Company will keep updated the continued airworthiness documents required to guarantee the proper operation in accordance with the recommendations of the State of Design and Certification. Any change of the information mentioned above, must be reported and documented to the Colombian Civil Aviation Authority (UAEAC).

If you have any questions, please do not hesitate to contact us.

Sincerely,

MG (R) JUAN CARLOS RAMÍREZ MEJÍA
AIR SAFETY SECRETARY
Colombian Civil Aviation Administration (U.A.E.A.C)
