The Coordination of Slots Colombia, in permanent communication with the different actors that participate in the planning activities of the airport slots of the El Dorado airport in Bogotá, in accordance with the guidelines described in Appendix A of RAC 3, the WASG and online with the calendar of coordination activities socialized on May 2, 2024, informs that:

The deadline to carry out the Series Return process is August 13, 2024, at 23:59 UTC, for commercial air services companies for the Winter 2024 (W24) season.

This Coordination continues with the commitment to maximize the efficient use of the airport infrastructure, promoting healthy competition among airlines, contributing to national and international connectivity and seeking the benefit of the users of air transportation services at the El Dorado International Airport of Bogotá.
